WOW (WORLD OF WOMEN)

We circulate one or more Women Entrepreneur's / Professional's (from IBG Members) story on our Monthly Newsletter and also set a platform for her / them to present at one of our events.

In April we had published story of MS. LARA WHITTINGTON in our Newsletter and circulated to around 30000 people.

Ms. Ritu Advani & Dr. Vasumathi Badrinathan shared their stories at "WOW - The Potboiler" Event on 5th June, 2013 platform in a crowd of around 150 people.

This Month's Story:

1. MS. GAMYA WIJAYADASA, MISS SRI LANKA - WORLD

She has an old world charm about her. She is the perfect blend of beauty and undeniable intelligence. A beauty queen, having won the title of Miss Sri Lanka for Miss World, she adds to her credentials with a Bachelors majoring in psychology and an MBA majoring in Management.

She's not your typical showbiz glam-doll. What drives her is her dedication to the craft of acting. What motivates her is her ambition to bring her country glory. What excites her is the passion for all things cinema.

A trained dancer and an acclaimed anchor, she dabbles in many things. She is making waves and wants to make Bollywood her home where she has already been warmly welcomed.

2. MS. PRIYANKA DALAL

DigiWhirl is my first entrepreneurial experiment. I started this cloud-based, social media marketing agency in May, 2010. Since then it has been 3 years and I had not imagined that it would be such a great learning experience!

In these years my skills of networking, team building, business planning and management have improved in leaps. I have worked with over 25 brands, helping them with their social media efforts. My clients are mainly from the SME industry. Being a company with a highly cloud-based collaboration structure, I have worked on projects from around the world. Apart from India I have worked in the UAE, UK, USA, Malaysia and Hong Kong markets.
