

We have now started an interesting section for the Women Entrepreneurs / Professionals associated with us.

We circulate one or more Women Entrepreneur / Professional's (from IBG Members) story on our Monthly Newsletter and also set a platform for her to present at & one of our events.

If interested, kindly send us your story / details with around 100 words with your company's web link and get noticed on our Monthly Newsletter & one of our events.

You may bring in other women along to participate in our programmes and also the women entrepreneurs / professionals you know who would like to join IBG.
